The University of Denver strives to provide a safe environment for its Club Sport Participants. However, it is important for the Club Sports Participant (or his or her parent or legal guardian if the Club Sports Participant is under 18), to understand that even with safety measures, participation in Club Sports involves unavoidable exposure to an inherent risk of injury.

Therefore, the individual named below as "Club Sports Participant," if over the age of 18, or his or her parent or legal guardian if the Club Sports Participant is under the age of 18, hereby acknowledges that he or she authorizes Club Sports Participant to participate in **the University of Denver's Club Sports Program** (the "Program"), and further acknowledges his or her full understanding and appreciation that there are risks of injury associated with participation in the Program. These risks include, but are not limited to, injuries sustained from falling, reasonable sport-appropriate contact with another club sports participant or overexertion. These risks occur in activities including, but not limited to, training, practice, games, tournaments, competitions, exhibitions, on-field celebratory behavior and travel to and from such events and other University of Denver Club Sports Program sponsored activities.

The person signing this document hereby represents that he or she has advised the University of Denver of any facts known to him or her which would make the Club Sports Participant more susceptible to injury or risk of injury as a result of participating in the Program. Any parent or legal guardian signing further represents that he or she has thoroughly explained to the minor Club Sports Participant the risks associated with participating in the Program using language appropriate to the age and intellectual capacity of the Club Sports Participant.

By signing this form, the Club Sports Participant, or his or her parent or legal guardian, on behalf of himself/herself, his or her heirs, assigns, legal and personal representative(s), agrees to assume all risks and responsibilities surrounding Club Sports Participant's participation in the Program and further to release the University of Denver, and all departments and divisions thereof, and its trustees, employees and agents from any claims, demands, actions, causes of action, lawsuits, expenses, or losses (including court costs and all reasonable attorney fees) he or she may have on account of personal injury (including death) arising out of or attributable to Club Sports Participant's travel to or participation in the Program, unless such personal injury or death is caused by the negligence of University of Denver, its trustees, employees or agents.

Club Sports Participant, or Club Sports Participant's parent or legal guardian, grants to the University of Denver and press and media admitted to the Program by DU the right to photograph, videotape or otherwise digitally collect Club Sports Participant's name, likeness, voice and sounds (as "Works") during participation in the Program. Club Sports Participant, or Club Sports Participant's parent or legal guardian, further irrevocably assigns and grants to DU all rights in these Works and the right to use or sublicense these Works and Club Sports Participant's name, likeness and biography, in DU's discretion, in all media and in all forms or purposes, including without limitation, advertising and other promotions for DU, without any further consideration to Club Sports Participant or Club Sports Participant's heirs, assigns, legal and personal representative(s).
